INDEPENDENT AUDITOR'S REPORT

Board of Directors
Ripon Consolidated Fire District
Ripon, California

I have audited the financial statements of the governmental activities, business-type activities, major funds, and remaining fund information, which collectively comprise the basic financial statements, of the Ripon Consolidated Fire District, as of and for the year ended June 30, 2018, as listed in the table of contents. These financial statements are the responsibility of Ripon Consolidated Fire District management. My responsibility is to express an opinion on these financial statements based on my audit.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express opinions on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and in accordance with guidance provided by the State of California's State Controller. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinions.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Ripon Consolidated Fire District as of June 30, 2018, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

The budgetary comparison information is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. In addition supplemental information relating to the Board of Directors and the Insurance coverage is included. I have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, I did not audit the information and express no opinion on it.

The **Ripon Consolidated Fire District** has not presented a Management's Discussion and Analysis (MD&A) required by the Governmental Accounting Standards Board that accounting principles generally accepted in the United States has determined is necessary to supplement, although not required to be part of, the basic financial statements.

RIPON CONSOLIDATED FIRE DISTRICT
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018

NOTE 1 – ORGANIZATION

Ripon Consolidated Fire District is a California Special District providing fire protection for the community of Ripon, California. All activities of the entity are included in these financial statements based upon manifestations of oversight, scope of public service, and financing relationships. The District was established by order of the County Board of Supervisors. It now operates under the Fire Protection District Laws of 1987 Health and Safety Code 13801-13999.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Ripon Consolidated Fire District conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant policies

Government-Wide Financial Statements

The district's Government-Wide Financial Statements include a Statement of Net Assets and a Statement of Activities and Changes in Net Assets. These statements present summaries of Governmental and Business-Type Activities for the district accompanied by a total column. Fiduciary activities of the district are included in these statements.

These statements are presented on an "economic resources" measurement focus and the accrual basis of accounting. Accordingly, all of the district's assets and liabilities, including capital assets and long-term liabilities, are included in the accompanying Statement of Net Assets.

The statement of activities demonstrates the degree to which the direct expenses of a given function or identifiable activities are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or identifiable activity. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or identifiable activity and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or identifiable activity. Taxes and other items not properly included among program revenues are reported instead as general revenues.

RIPON CONSOLIDATED FIRE DISTRICT
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements. The district records all governmental funds as Major.

Revenues, Expenditures and Changes in Fund Balances for all major governmental funds and non-major funds are aggregated. An accompanying schedule is presented to reconcile and explain the differences in fund balances and changes in fund balances as presented in these statements to the net assets and changes in net assets presented in the Government-Wide financial statements. The district has presented all major funds that met those qualifications.

All governmental funds are accounted for on a spending or “current financial resources” measurement focus and the modified accrual basis of accounting. Accordingly, only current assets and current liabilities are included on the Balance Sheets. The Statement of Revenues, Expenditures and Changes in Fund Balances present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets.

Under the modified accrual basis of accounting, revenues are recognized in the accounting period in which they become both measurable and available to finance expenditures of the current period. Accordingly, revenues are recorded when received in cash, except that revenues subject to accrual (generally 60 days after year-end) are recognized when due. The primary revenue sources, which have been treated as susceptible to accrual by the district, are property taxes and government grants. Expenditures are recorded in the accounting period in which the related fund liability is incurred. An exception to this rule is principal and interest on general long-term debt which is recognized when due.

GOVERNMENT FUNDS

The general fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

GOVERNMENT FUNDS (continued)

The Capital Projects Fund is established to account for money received by the District and set aside by the board for the purpose of building or buying major capital assets.

Debt Service Fund – is used to account for funds used to pay the debt on long term liabilities.

Fiduciary Funds – are used to account for funds held for the interest for the explorer group and the Memorial Fund..

A budget is adopted annually for the general fund.

The Governing Board of the District consists of five directors.

Capital Assets

Capital assets are those purchased or acquired with an original cost of \$5000 or more and are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. The costs of normal maintenance and repairs that do not add to the value of the assets or materially extend the asset's lives are not capitalized, but are expensed as incurred.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

GOVERNMENT FUNDS (continued)

Fund Financial Statements

Governmental Funds

The difference among assets, deferred outflows, liabilities, and deferred inflows of governmental funds is reported as fund balance and classified as non-spendable, restricted, committed, assigned, and unassigned based on the respective level of constraint. These constraints are defined as follows:

Nonspendable. Amounts that cannot be spent because they either are not in spendable form or are legally or contractually required to be maintained intact.

Restricted. Amounts constrained regarding use from restrictions externally imposed by creditors, grantors, contributors, or laws or regulations of other governments or by restrictions imposed by law through constitutional provisions or enabling legislation.

Committed. Amounts constrained regarding use for specific purposes pursuant to requirements imposed by formal action of the District's highest level of decision-making authority.

Assigned. Amounts constrained by the District's intent to be used for specific purposes but that are neither restricted nor committed.

Unassigned. The residual classification of the General Fund for spendable amounts that have not been restricted, committed, or assigned to specific purposes.

It is the District's policy to first use restricted fund balances prior to the use of unrestricted fund balances when an expenditure is incurred for purposes for which both restricted and unrestricted fund balances are available. It is also District policy to use committed fund balances before assigned fund balances and assigned fund balances before unassigned amounts when an expenditure is incurred for purposes for which amounts in those classifications are available to be used. The District has no formal minimum fund balance policies or any formal stabilization arrangements in place.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Implementation of New Accounting Pronouncements

For the year ended June 30, 2004, the district was required to adopt GASB Statement No. 34 (GASB 34), Basic Financial Statements - and Management's Discussion and Analysis -for State and Local Governments. GASB 34 significantly changes the way state and local governments report their financial information to the public. As a result of GASB 34, state and local governments are required to report financial information using both fund-based and government-wide financial statement presentations. Fund based statements continue to use the modified accrual basis of accounting, but the government-wide statement uses full accrual basis of accounting.

In addition to the change in the financial statement presentation, GASB 34 requires the reporting of capital assets and long-term obligations on the government-wide financial statements. The preparation of a Management Discussion and Analysis to clarify the district's financial activities is also required by GASB 34.

NOTE 3 – LONG-TERM DEBT

A schedule of long term debt is as follows

Description	Balance 7-1-15	Increases	Reductions	Balance 6-30-16
Capital Lease Ladder Truck	\$175,756	-0-	85,659	\$90,097
Capital Lease Pierce Engine	286,502	-0-	68,033	218,469
Loan Volunteers	353,608		40,465	313,143
Compensated Absences	<u>329,068</u>	<u>(22,122)</u>	-0-	<u>306,946</u>
Total	<u>\$1,144,934</u>	<u>\$-22,122</u>	<u>\$194,157</u>	<u>\$928,655</u>

Radio	16,690			16,690
Office	16,516			16,516
Landscape	4,010			4,010
Total Assets	<u>11,480,659</u>	<u>54,419</u>		<u>10,770,878</u>
Less Accumulated Depreciation	<u>(5,364,289)</u>	<u>373,131</u>		<u>(5,243,226)</u>
Net Book Value	<u>\$6,116,370</u>			<u>\$5,527,652\$-</u>
Current year depreciation				<u>\$373,131</u>

NOTE 5 – RETIREMENT

Effective July 1, 1985, the District entered into a defined contribution retirement plan. The retirement plan is a defined contribution plan to which the District will contribute 15% of the full-time employees' monthly salary. Contributions for the year ended June 30, 2018 were \$207,809

NOTE 6 – COMPENSATED ABSENCES – ACCUMULATED VACATION AND SICK LEAVE AND ACCUMULATED COMPENSATED TIME OFF

Accumulated unpaid employee vacation benefits and accumulated sick leave benefits are recognized as current liabilities if taken within 90 days of year end.

The total of the district's long term liability for future compensated absences at June 30, 2018 was \$306,946

RIPON CONSOLIDATED FIRE DISTRICT
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018

NOTE 7 – CASH AND INVESTMENTS

The district maintains cash and investments in the San Joaquin County Treasury Pooled Account, Union Safe Bank, and Trustee Funds held by BNY Western Trust Company..

Cash on hand and in banks. Cash balances on hand and in banks are insured up to \$250,000 by the federal depository insurance company. All cash held by financial institutions are fully insured or collateralized.

Cash balances are as follows:

District Funds

Petty Cash	\$51
Oak Valley Bank (Gen Checking)	77,106
Rural Fire Facility Fees	198,328
General Fund	724,479
City Fire Facility Fees	37,939
	1,108,19
Developer Agreement Fees	6
General Fund Savings	221,356
Station Three Account	0
S J Capital Fund	353
S. J. County General Fund	(2,334)

Fiduciary and Trust Funds

Training Funds	28,275
Explorer Funds	7,636
Memorial Cash and Certificates	663,955

The funds held on behalf of the district by the county are pooled with funds of other districts in the county and are invested. These pooled funds are carried at cost, which approximates market value. Interest earned is deposited quarterly into participating funds. Any investment losses are proportionately shared by all funds in the pool. Investments are relatively short term and are held to maturity.

Cash in the County Treasury are as follows:

	<u>Cost</u>	<u>Market</u>
General Fund	\$353	\$353
Capital Projects	(2,334)	(2,334)

RIPON CONSOLIDATED FIRE DISTRICT
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018

NOTE 8 – PROPERTY TAX

Secured property taxes attach as an enforceable lien on property as of March 1. Taxes are payable in two installments on November 1 and March. Unsecured property taxes are payable in one installment on or before August 31. The County of San Joaquin bills and collects the taxes for the District. The district recognizes tax revenues when received.

NOTE 9 – BUDGET VS ACTUAL

The District's expenditures exceeded the budget by amounts in individual account categories but not in total.

NOTE 10 – PROPOSITIONS #4 APPROPRIATION LIMIT

The Proposition #4 appropriation limit for June 30, 2018 is calculated by the San Joaquin County Auditor's Office.

NOTE 11 – CONSTRUCTION OF FIRE STATION

The District built a new fire station (station number 3) located in the east side of Ripon. The district requested a bid from contractors. The estimated contract cost of construction awarded to C.T. Brayton & Sons is \$1,829,100.

RIPON CONSOLIDATED FIRE DISTRICT

**NOTE 12 – SELF-INSURANCE FIRE DISTRICT ASSOCIATION OF CALIFORNIA
FIRE AGENCY SELF-INSURANCE SYSTEM A PUBLIC ENTITY RISK POOL**

The District is a member of the Fire District Association of California Fire Agency Self-Insurance System. The group was organized July 1, 1984 under a joint exercise of powers agreement to provide worker's compensation coverage to its members. The Fire District Association of California Fire Agency Self-Insurance System retains a self-insured retention of \$275,000 per occurrence. Above the self-insured retention, excess insurance coverage is up to the statutory limit.

No provision has been made in the District's financial statements for any unfunded liability of the system, if any.

The Joint Powers Agency is independently accountable for its own fiscal matters. Member districts share surpluses and deficits proportionately to their participation in the Joint Power Agency.

The relationship between the District and the Fire District Association of California Fire Agency Self-Insurance System is such that the Joint Power Agency is not a component unit of the district for financial reporting purposes.
